BALDRIAN Intercept

Reference: FULL-3385

1. On 7 March 1956 UJDSWING's alias Dr. KLAUENER told me that so far no tapes of any BALDRIAN conversations had been received at Pullach and that he, KLAUENER, was checking with V-3595 of Dienststelle 62 in Berlin as to the reason why. (POB Comment: This is our first indication that V-3595 (@ AGNEWAND) is the Berlin UJDSWING officer handling the UJDDBM Listening Post.)

2. KLAUENER added that initially he had not been perturbed that no tapes had arrived since HCKS had been confined to her bed because of a broken leg which she suffered as a result of an automobile accident but that he thought that by now she might well be up and about.

3. As for V-70, KLAUENER explained that he had seen Martin KIRKHAM who was running him on several occasions in the meantime but never alone so that he had been unable to discuss this matter with him.

4. On 6 March 1956 I queried UJDSWING's alias KUZ as to developments in the UJ-77 Case. KUZ replied that so far there were none.
